Our Mission:

To make Central Indiana a more beautiful place safely and responsibly, with paint.

Our Vision:

To be recognized as a maintenance painting market leader in 5 key areas: Safety, Sustainability, Satisfaction, Professionalism, and Innovation.

- 40+ years of experience and 40,000+ painting projects under our belt
- Certified woman/minority-owned company
- No subcontractors—all direct hires
- Certified Coalition for Construction Safety (CCS) company
- Multi-year CCS Zero Injury Award Winner
- Standard three-year warranty on all work
- Mandatory weekly all-employee safety and skills workshops
- All painters are drug tested and background checked
- \$6M in Revenue

Safety is our top priority.

Connor Painting is dedicated to taking your painting vision and bringing it to life. To do so, Connor hires and trains our own people, never using subcontractors. Safety and trust are important to us. Having an in-house team enables us to do what we say we'll do—when we say we'll do it.

Sustainability—always.

Connor is also proud of our commitment to sustainable painting practices, using low VOC (Volatile Organic Compounds) paint products wherever possible. We select quality products with minimum environmental impact to meet even the most stringent regulatory requirements.
